

BUSINESS UNIT OVERVIEW & LEGACY

ENERGETIC SYSTEMS

For over a century, EaglePicher has been a trusted provider of mission-critical power solutions to the Defense and Aerospace sectors. As a leading American manufacturer, we have the capability to generate unique and technically-advanced designs, all while meeting customer needs with quick transitions to production. EaglePicher is excited to meet the criteria of a Small Business with the stability and capabilities of a large business.

⚙️ CORE BUSINESS

EXPLOSIVE DEVICES

- Initiators
- Primers
- Detonators

PYROTECHNIC DEVICES

- Cutters
- Gas Generators
- Actuators
- Bellows Motors
- Switches

🕒 PAST PERFORMANCE

PROGRAMS INCLUDING:

- TOW missile
- Stinger missile
- ACES / NACES
- APKWS system
- MK310 PABM

MAJOR CUSTOMERS:

- Raytheon
- Lockheed Martin
- Northrop Grumman
- BAE Systems

💡 DIFFERENTIATORS

- Energetic Systems / Integration Capabilities
- Vertical Integration with Multiple Core Competencies
 - Power designs that no other company produces
- Electromechanical / Pyrotechnic Solutions
 - Integration of power, energetics, & electronics

🚀 KEY INITIATIVES & INNOVATION

- Rapid Prototyping
- High-Volume Automation for Pyrotechnic Devices
- Energetics Modeling & Material Characterization
- Significant Intellectual Property

📊 KEY GROWTH PROGRAMS

- Integrating Multiple Energetics into Singular Systems
- Crew Safety Systems
 - CADPAD / Ejection Seats
 - Safe & Arm Systems

U.S. SUPPLIER, SMALL BUSINESS, COMPANY LEGACY

WE ARE A SMALL BUSINESS WITH LARGE-BUSINESS STABILITY & CAPABILITIES

- Vertically-integrated supplier supporting Defense: igniters for thermal missile / munition batteries
- Gas generators for Silver-Zinc missile / rocket batteries

NAICS CODES

- 335910 - Battery Manufacturing - Primary NAICS Code
- 332993 - Ammunition Manufacturing (except Small Arms)
- 325920 - Explosives Manufacturing

FOUNDED IN 1843

HEADQUARTERS & MANUFACTURING IN JOPLIN, MO

CERTIFICATIONS: ISO 9001:2015 & AS9100D

UEI: TUNPLDSDV534 CAGE CODE: 81855
